Dear Sir / Madam

Re: Thank you for your support towards the work of Anode

I am writing to place our considerable thanks to you for your support to Anode and the relief of hardship for our clients.

The ongoing support from the children, Parents and Teachers has been a God send to us. Your ongoing support has been invaluable, I would like to give my considerable thanks for the Cheque donation of £70.00 towards the general relief of hardship.

Having received 4500 referrals in the last twelve months, we have been able to support the most vulnerable of families and due to your support, many families will experience a better future because of your generosity.

It would be an honour to come to the school at anytime and tell the children more about the work at Anode.

Kind regards & every Blessing
