Dear Mrs Julyan,

I understand that you met a few of my team when they were collecting petitions outside the School. They advise me that both Parents and you mentioned that parking has become a real issue (particularly at dropping off and picking up time) and that a drop off zone would be really useful.

This is just a quick note to say that I have contacted the Council about this matter, and I will be back in touch as soon as I have their response.

Yours sincerely

Adrian Sanders MP
