

The Harbour Homework Week beginning 22.01.2018

As you know we have begun our topic of 'Inside Out'. This film and book is all about identifying and learning how to deal with different emotions. This week we are focusing on the emotion 'joy'. We are thinking about things we do when we are happy, inside and out.

Draw a time you felt...

Parents and carers, if you would like to comment please do but don't feel you have to.

Kind Regards, Mrs Thomas & Mrs Gilbey
