Dear Parents/Carers,

As you know, your child is currently on our Thrive programme at school with Miss Goodwin the Thrive practitioner. As part of their Thrive sessions, Miss Goodwin and the class teachers create action plans that are individually tailored for your child. As we place great importance on the work we do in school, a great opportunity has arisen where you can support your child at home too. A new App for phones and tablets has become available for schools to link individual action plans with parents at home. The App will provide you with strategies and activities that are useful for your child at home. To download this App please load your App store and search 'Thrive', any problems please pop in to see Miss Goodwin and she will support you.

If you would like to be part of this please could you complete the information below and Miss Goodwin will set you up on her system:

Parent/Carer full name: _____

Relationship to the child: _____

Mobile number: _____

Email address: _____

Rest assured, we will not share this information with anyone else.

Thanks ever so much, we look forward to you joining

Mrs Thomas and Miss Goodwin
